

LASI - LAS Interdisciplinary

Courses numbered 500 to 799 = *undergraduate/graduate*. (Individual courses may be limited to undergraduate students only.) Courses numbered 800 to 999 = *graduate*.

LASI 501. Great Plains Experience (1-3).

Offered during fall and spring semesters as a 1-hour field experience and in the summer session as a 3-hour field experience. For students in the Great Plains Studies certificate program. Visit museums, anthropological and archeological sites, nature preserves, and other places of significance in Great Plains Studies. Prerequisite(s): LASI 201 or instructor's consent.

LASI 750G. Interstellar Seminar (1).

Introduces students to current research topics in interstellar space sciences and offers an opportunity to interact with the scientists conducting active research. Covers a survey of topics related to interstellar peopled missions, from life support systems to propulsion to social issues. Each seminar is given by an expert in that area of study. This course is for nonmajors and does not fulfill science requirements for science majors.
