

International Student Admission

Wichita State University demonstrates its commitment to international education through the Office of International Education. The office assists international students with cultural acclimation, immigration counseling, English language instruction and admission to the university.

The university welcomes students of every national, racial, religious, ethnic and cultural background. Admission decisions are based solely on the academic qualifications of applicants.

English Proficiency Requirements

All international undergraduate students at Wichita State University are required to demonstrate proficiency in English before beginning full-time academic study.
