

# Counseling, Educational Leadership, Educational and School Psychology

---

The department of counseling, educational leadership, educational and school psychology (CLES) offers courses at the undergraduate level taken by students both in and outside the College of Education. In addition, the department offers graduate programs in counseling, educational leadership, educational psychology, school psychology, and a Doctor of Education (EdD) in educational leadership. The CLES department also offers graduate certificates in applied behavior analysis, superintendent/school district leadership, building leadership/principalship, child/play therapy, student affairs practitioner wellness and effectiveness, mentoring and coaching, and teaching in higher education.

For additional information, please visit the Counseling, Educational Leadership, Educational and School Psychology website (<https://www.wichita.edu/cles/>).
