

Bachelor of Social Work

Admission

Requirements for program admission include a 2.000 overall GPA, completion of premajor and prerequisite courses, and satisfactory completion of a noncredit BSW Program/Practicum Orientation session. Students who receive a grade lower than C (2.000) in a required social work course must repeat that course and earn a C (2.000) or above. Provisional admissions may be granted before final grades are received, but enrollment in required upper-division social work courses is dependent upon meeting these admission standards.

Completion of the following foundation courses with a grade of C- or better:

- ENGL 100 English Composition or ENGL 101 College English I;
- ENGL 102 College English II;
- COMM 111 Public Speaking; and
- STAT 171 Introduction to Statistics, MATH 111 College Algebra, MATH 131 Contemporary Mathematics or MATH 112 Precalculus Mathematics.

Completion or in the process of completing the following social work premajor courses:

- BIOL 106 The Human Organism and BIOL 107 The Human Organism Laboratory, or human biology equivalent;
- PSY 111 General Psychology;
- SOC 111 Introduction to Sociology; and
- SCWK 201 Introduction to Social Work and Social Welfare or equivalent course from another college.

Program Requirements

A minimum total of 120 credit hours is required for the Bachelor of Social Work and majors must complete 45 credit hours of required social work courses. Students must be formally admitted to the major in order to take 400-level classes. BSW students are required to take two major course selections, one suggested in the fall semester of their junior year, and one in the spring semester of their senior year. In addition to meeting the requirements of the WSU General Education Program (<http://catalog.wichita.edu/undergraduate/academic-information/general-education-program/>) and the requirements of the Fairmount College of Liberal Arts and Sciences, students in the Bachelor of Social Work must take the following courses:

Course	Title	Hours
General Education (34-35 credit hours)		
Select courses to meet General Education requirements ¹		24-25

Open Electives

Select enough electives to reach 120 credit hours	4-5
Total Credit Hours	120

¹ Required major courses may also count towards General Education and/or LAS Competencies. Students will need to select additional electives to reach 120 credit hours required for graduation with assistance from an advisor.

² Students must be formally admitted to the major in order to take 400-level SCWK classes unless approval is granted by the social work director.

³ It is recommended one elective is taken the fall semester of junior year and one taken spring semester of senior year.

Applied Learning

Students in the Bachelor of Social Work program are required to complete an applied learning or research experience to graduate from the program. The requirement can be met by completing a practicum experience in SCWK 402 and SCWK 404. These classes have an on-campus seminar that reflects on experiences in the 400 hours combined of required supervised placement in a social service agency in the Wichita Community, or student's own community if possible. Each student must meet with a field instructor at the agency for supervision and attend a university class with a field liaison that provides the reflective feedback for the educational tie to the Council of Social Work Education's — Education Policy and Accreditation Standards.
