

BBA - Management

Program Requirements

A minimum total of 120 credit hours is required for the Bachelor of Business Administration (BBA) in management. In addition to meeting the requirements of the WSU General Education Program (<http://catalog.wichita.edu/undergraduate/academic-information/general-education-program/>) and the requirements for all BBA programs (<http://catalog.wichita.edu/undergraduate/w-frank-barton-business/bachelor-of-business-administration/>) set by the W. Frank Barton School of Business, candidates for the BBA in management must satisfy the following requirements of the curricular major:

All majors must contain at least 12 unduplicated credit hours. All minors must contain at least 3 unduplicated credit hours.

Open Electives

Select enough electives to reach 120 credit hours 17-18

Total Credit Hours 120

A maximum of 3 credit hours of co-op may be used in the major.

- ¹ Required major courses may also count towards General Education requirements. Students will need to select additional electives to reach 120 credit hours required for graduation with assistance from an advisor.
- ² See the Bachelor of Business Administration (<http://catalog.wichita.edu/undergraduate/w-frank-barton-business/bachelor-of-business-administration/>) page of the catalog for a full explanation of these college requirements.
- ³ Up to 3 credit hours may be substituted from upper-level courses in business administration with advisor's consent, including MGMT 481, MGMT 491 and MGMT 690A-Z.

Applied Learning

Students in both the BBA in management - leadership concentration and project management concentration are required to complete an applied learning or research experience to graduate from the program. The requirement can be met by taking the required course MGMT 463 Building Remarkable Teams.

As part of this course, students are required to work in teams to complete a service learning project. Each student team selects an organization and works with it throughout the semester to complete a preselected project.
